AX-S12BA-12" AUTOMATIC VARIABLE SPEED MEAT SLICER

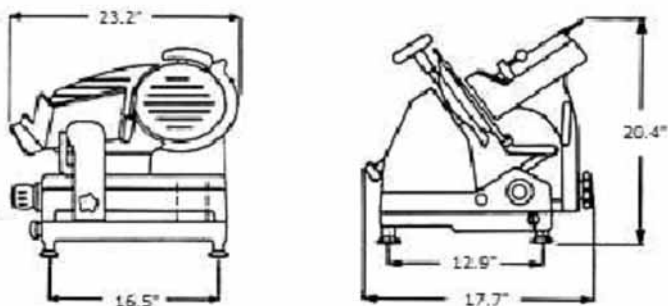

The Axis S-12BA automatic gravity feed slicer is equipped with a .55 HP fan-cooled motor. The flow line design and rounded edges of the polished aluminum body makes your clean-up easy task!

The S-12BA cuts 70 slices of meat in one minute! The automatic slicer gives the operator the ability to attend other tasks while the machine completes all its slicing duties. In addition to this, the high carbon steel (hard chromed) blade can slice large and heavy pieces of meat and cheese effortlessly. The carriage, blade cover and end-grip are removable for easy maintenance and cleaning.
