# K·Series Cappuccino Dispensers

## Your Choice

**NEW DESIGN**

**Back-Lit**
*Extra Impact*

**Non-Lit**
*Extra Savings*

c (UL) us   NSF

## Standard Features

- **Lower Cost Same Great Features** – These models utilize the same reliable components found in all Cecilware hot beverage dispensers and are designed to service medium volume locations using minimum counter space.

- **Your Choice of Back-Lit or Non-Lit Display** – Models are available with cost saving non-lit-display or eye catching back-lit display.

- **Slanted Whipper Chamber** – Provides optimal mixing of product & keeps it flowing away from the motor seal.

- **Fast Flow** – Dispenses beverages 30% faster, reducing wear and tear on major dispenser components.

- **Vacuum Steam Removal System (VSRS)** – Ensures the powdered mix remains dry to eliminate clogging, caking, & bridging.
