

Destination Series

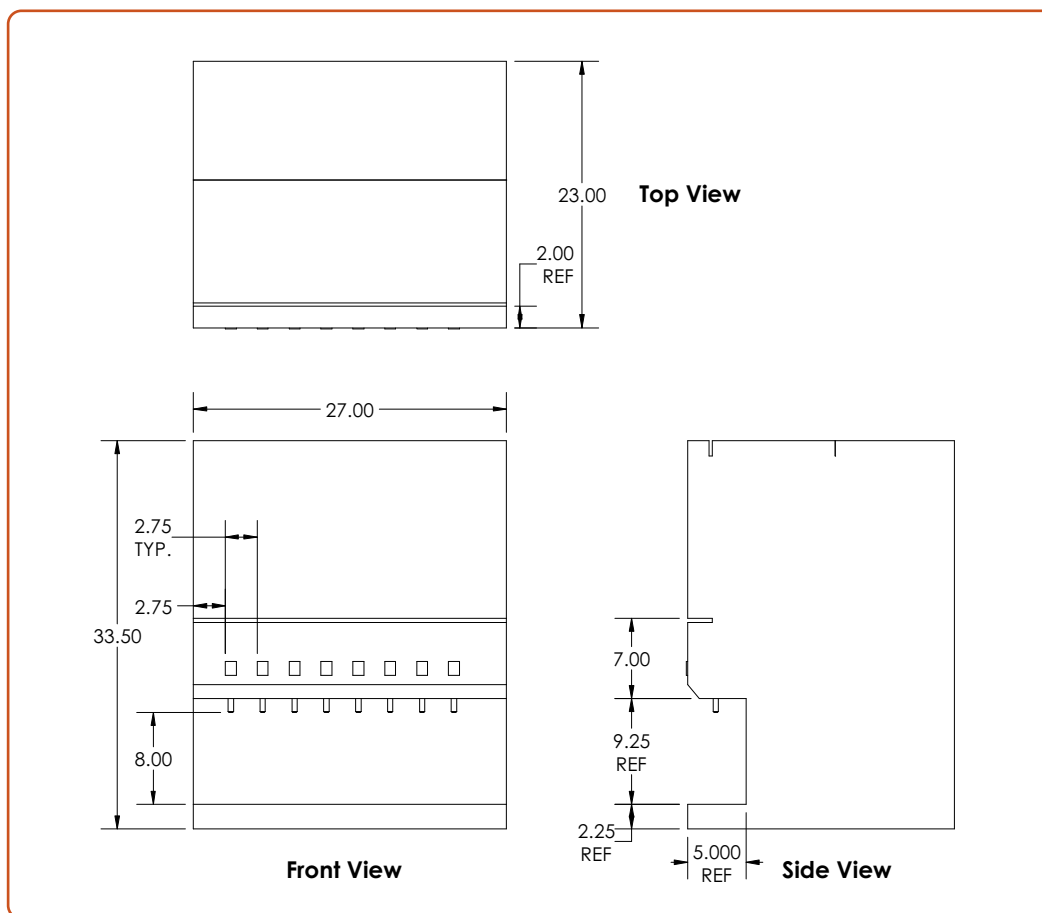

Model GB8M-10-LD-U-W

Features

- Fast Flow – Dispenses beverages 30% faster, reducing wear & tear on major dispenser components.
- Vacuum Steam Removal System – Ensures the powdered mix remains dry to eliminate clogging, caking, and bridging.
- Moisture & Powder Collection Tray – Prevents excess moisture & product powder from reaching the vacuum motor.
- Direct Drive Auger System – Ensures perfect hopper alignment & “silent running”.
- Power Whip – Carefully whips the product into a delicious, creamy drink.
- Self Cleaning – Rinse system is touch button easy & rinses the entire whipper chamber with hot water at the end of each cycle.
- Quick Change Transparency – Simply lift up 2 tabs and pull out the graphic.
- Vertical Lift Door – Hinged on top provides easy access to the inside of the dispenser.
- F.A.S.T. Service – Front Access Saves Time allows access to major components through the front of the dispenser.
