FEATURES

- Two independently operated 3.2 gallon (12 liter) bowls
- Digital control includes Slush mode and Beverage mode
- Quick defrost feature
- Interior LED lighting
- Luxurious design
- Maintenance friendly
- Drip tray
- Slush, Sorbet, Margaritas and More
- Hydro-Carbon R290 refrigerant
- Adjustable slush mode
- Food-grade anti-cracking bowl

This Coldline Granita is an incredibly versatile slushie machine for blending frozen coffees, cappuccinos, lemonades and smoothies in your commercial kitchen. Built to be a reliable and efficient performer, the Granita will help you prepare perfectly chilled slushies at all times. A powerful motor, heavy-duty auger and advanced temperature control make it easier to create great-textured crowd pleasers.

CE

USR Brands is a US supplier of premium quality commercial cooking, refrigeration and food preparation equipment. Our aim is simple. Produce industry-leading commercial restaurant equipment at reasonable prices, and back it all up with an easy to understand, no nonsense warranty that people can count on.
