model 3311

model 3312

Features

- Serve a variety of frozen smoothies, frozen cappuccinos or lattes, granitas, frozen fruit juices, frozen lemonades, slushes or cocktails.
- Draw customers and increase sales with the Flavorlight™ illuminating the frozen beverage, and high-impact backlit headers.
- The compact model 3311 takes only 13" (33 cm) of counter space, and produces more than double the output capacity of visual freezers.
- Mix low indicator light enables users to refill product before it empties.
- Freezing cylinder automatically refills from refrigerated storage hopper, so there is no need to wait for product to refreeze after refilling.
- Reliable consistency control dispenses perfect product under all operating conditions.
- Heavy duty components, belt driven design and steel frame provide lasting commercial use.
