Light and easy to use, with a capacity of 25L / 6.5 gal.

The Junior Series takes care of your small food preparation needs. This light duty series is great for soups, gravies and your favourite everyday sauces.

Available with both detachable and non detachable shafts and a selection of convenient attachments; your menu is covered from start to finish. The Food Processor Bowl attachment is perfect for nuts and parsley and more importantly eliminates the need for a conventional food processor.

The Junior Series is lightweight, efficient and dependable allowing uninterrupted, consistent everyday mixing.
