# Spiral Mixers

Spiral mixers are perfect for bakeries, pizza restaurants or pastry shops. They are used for mixing a variety of dough products, from very stiff dough with low hydration to a high hydration dough such as ciabatta breads, pie, cookie or pizza. The built-in timer allows to program and set the appropriate mixing times for various products needs. Built-in safety features include an emergency stop and a bowl guard switch. This machine is designed for commercial applications.

Warranty: 1 year Parts & Labor (Spiral Mixer), 3 months (Timer)
