

Broilers

Eurodib Gas Range answers the needs of modern, busy catering establishments for reliable, well built equipment that offers flexibility, performance, style and value for money. Eurodib equipment has been designed with safety, ease of operation and performance as paramount. The gas series has a stylish and robust modular design, constructed of high quality brushed stainless steel, large “cool to touch” dials, large heavy duty adjustable feet and easy to clean accessories.

The Eurodib Broiler is available in Radiant configurations and ideal for cooking steaks, chops, hamburgers and seafood. The Eurodib broiler is a sturdy reliable option for the increasing demand of char grilled food.
