FEATURES AND BENEFITS

- *Exterior-Stainless Steel front, top and sides
 - *Interior-Aluminum alloy sides and top, Stainless Steel floor
 - *High-density polyurethane foam cell insulation (CFC-free)
 - *Side compressors and slim fan coil design to maximize storage space and energy efficiency.
 - *The famous American Brand, "TECUMSEH" Compressor
 - *American (Environmental) R-134A Refrigerant
 - *Top-mounted evaporator Use a slow fan to keep the dough moist.
 - *Defrost Timer System, is keeping, evaporator, it does not ice up.
 - *Self-closing swing door, stays open past 90 degrees
 - *Easily removable magnetic door gasket
 - *Automatic Door Switch Lighting
 - *Each big door can hold 18" x 26" Dough Boxes.
 - *Refrigerated Dough Retarder
 - *Food pans NOT included
 - *Extra-large stainless steel countertop
 - *Adjustable epoxy resin wire frame, durable, easy to adjust and remove.
 - *5" heavy-duty casters with brakes
 - *Holds 33°F-- 41°F for the best in food preservation
 - *The powerful forced-air refrigeration system holds the storage cabinet at a constant temperature.
- Leader Factory has 34 years of experience and expertise.
Made in the USA
- *ETL sanitation
 - *CONFORMS TO NSF/ANSI STD 7
 - *MEA City of New York Building Department Approved
