LBSD118R	118X24X36	5	5	115	-	48.0	400

"R" versions do not come with self contained compressor. Remote compressor optional.

### Additional Features:

- Our defrost timer system keeps cooling systems separate from the evaporator. It doesn't ice up or inhibit the compressor, giving the unit outstanding performance and a longer life even in the most difficult environments.
- These models are designed to operate in an environment where temperature and humidity do not exceed 75°F and 65% relative humidity.
