PRODUCT HIGHLIGHTS

- Tecumseh compressor
- Double pane sliding glass door on top section and low boy bottom
- Solid stainless steel grille
- Separate temperature in two compartments
- Defrost Timer System
- Front Breathing
- Efficient Refrigeration System.
- Adjustable Epoxy Wire Shelves
- Durable and Easy to Adjust
- Holds 38°F ~41°F
- ETL UL Certified

MODELS	WXDXH	DOORS	SHELF	VOLTS	H.P.	WEIGHT
PC36 S/C	36X32X78	3 1/2	4	115	1/3	365

PC72 R	72X32X78	5	4	115	-	678

Additional Features:

- Bottom mount compressor, all units have a bottom mount compressor for saving energy, great efficiency and easy service.
- Efficient refrigeration system, pull glass door coolers are designed with over-sized evaporators and condensers for faster cooling and better efficiency.
- Rounded inner floor/wall joints, NSF approved stainless steel sheeting and high density polyurethane foam keeps the cool air inside and makes it easy to clean up
- Excellent Cooling Performance, Over-sized Condenser & Evaporator Coil and slow running fan motors keeping food fresh.
- Our defrost timer system keeps cooling systems separate from the evaporator. It doesn't ice up or inhibit the compressor, giving the unit outstanding performance and a longer life even in the most
