SB96R	96X32X36	4	4	115	-	21	345
SB118	120X32X36	4	4	115	3/4	27	345

Additional Features:

- Our defrost timer system keeps cooling systems separate from the evaporator. It doesn't ice up or inhibit the compressor, giving the unit outstanding performance and a longer life even in the most difficult environments.
- These models are designed to operate in an environment where temperature and humidity do not exceed 75°F and 65% relative humidity.

*R for remote models - remote compressor sold separately

*Sneeze Guard does not come attached to the unit and must be assembled
