Wintelligent® Panels

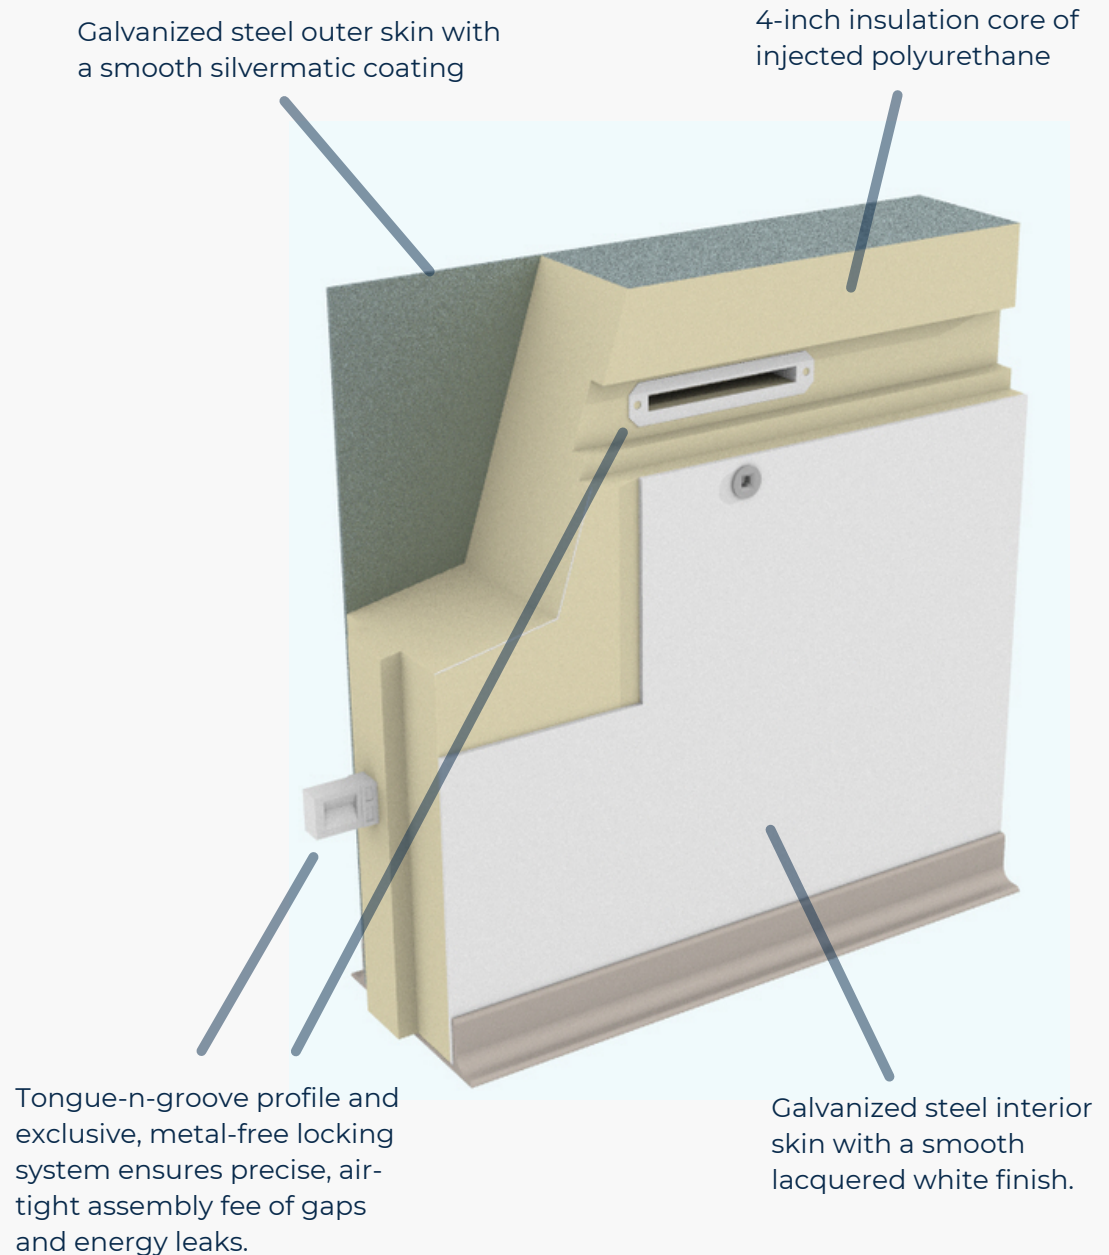

Wintelligent® walk-in cooler and freezer panels consist of a 4-inch insulation core of injected polyurethane sandwiched between two sheets of galvanized steel with a silvermatic coating outside and white lacquer finish inside.

Its tongue-n-groove profile and patented **anti-corrosion fastening system** ensure precise, air-tight assembly free of gaps and energy leaks.

No metal parts, no drilling, and no adhesives necessary to assemble makes it easy to remove and add panels as your cold storage needs change.

A modular walk-in cooler or freezer.

That's Wintelligent®.

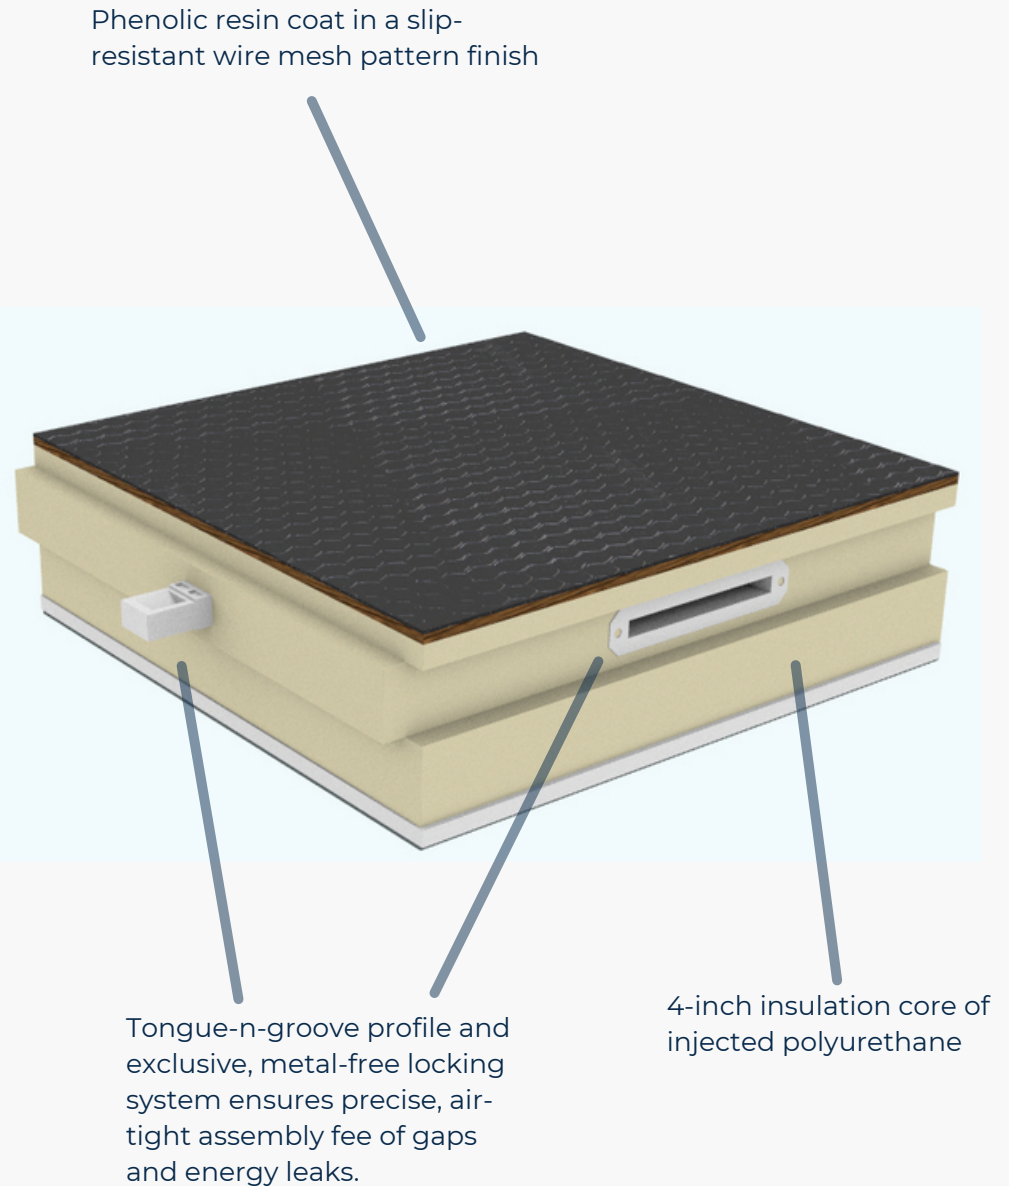

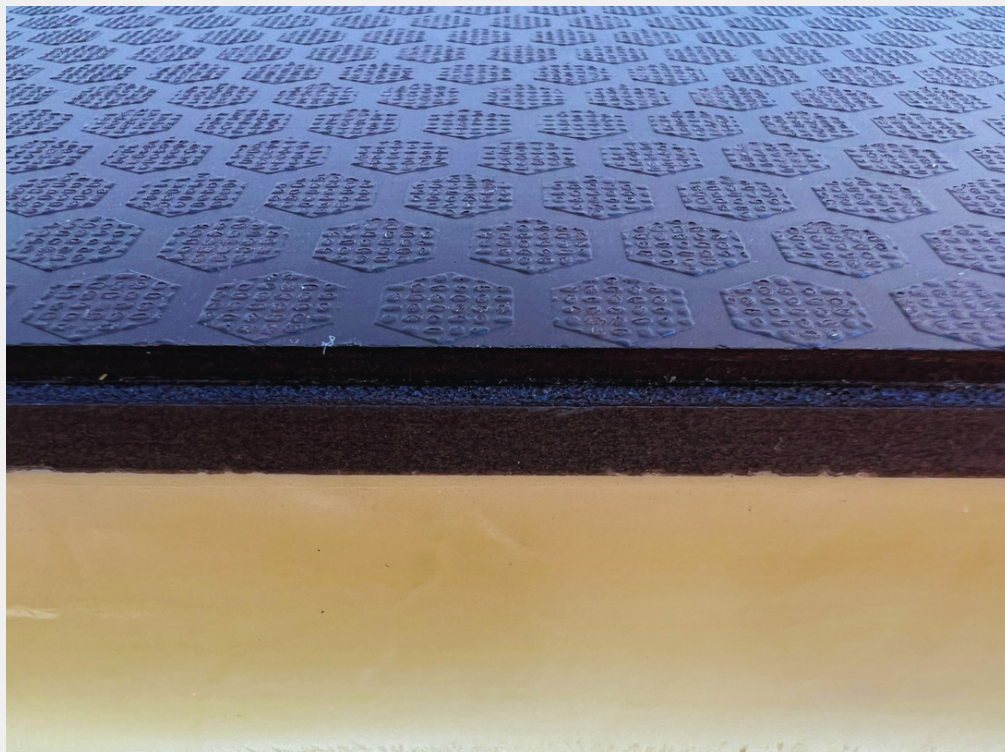

Wintelligent® Floors

Wintelligent® walk-in cooler and freezer floor panels consist of a 4-inch insulation core of injected polyurethane topped with a phenolic resin coat in a slip-resistant wire mesh pattern finish.

The reinforced floor has a static load capacity of 1,600 lbs per square foot and a dynamic load capacity of 400 lbs evenly distributed on four wheels.

*Floorless models are also available.

Standard sizes available for quick shipping

Wintelligent® walk-in cooler and freezers are available for quick shipping in a wide variety of sizes and configurations with or without floors, including, but not limited to:

6' x 6' x 8'

8' x 8' x 8'

10' x 10' x 8'

6' x 8' x 8'

You don't have to wait months for a new, top-of-the-line walk-in cooler or freezer

It's not fair to expect small businesses and aspiring entrepreneurs to wait months for a new walk-in cooler or freezer when they need cold storage solutions today.

At Mr. Winter, we understand how challenging starting and operating a restaurant, bar, ice cream shop, convenience store, or floral business can be.

Wintelligent®, our new line of modular, foamed-in-place walk-in coolers and freezers, helps small businesses in need of cold storage start keeping perishables fresh in a week, not 5 months.

You don't have to waste months of your business's precious life waiting for a cold storage box of dubious quality.

[Get a quote](#) and start keeping perishables fresh as early as next week!

About Mr. Winter

At Mr. Winter, we've been making walk-in coolers and freezers to help small businesses in need of cold storage prosper since 1976.

We believe stored perishables should increase your business's profitability not contribute to waste and loss.

That's why we offer walk-in coolers and freezers in a wide variety of sizes, budgets, and time preferences.

When you buy a walk-in cooler or freezer with us, you get:

- ① A 10-year warranty on panels, a 1-year warranty on refrigeration, and a 1-year warranty on hardware
- ② Your walk-in cooler or freezer delivered straight to its final location, ready to be assembled
- ③ To keep perishables fresh in a week
