PFC-4-SBB 4" Plate Casters with Brake

FEATURES

- ▶ 4" casters
- ▶ (2) with brakes, (2) without
- ▶ Wheel center made of polypropylene
- ▶ Tread made from PU material
- ▶ (4) pre-drilled holes plate style bracket
- ▶ Fits most commercial brands
- ▶ Commercial cooking and refrigeration equipment

The Prepline 4" set of caster wheels are a great substitute to adjustable legs that commercial refrigeration and cooking equipment come equipped with from the manufacturer. Easy to install onto units with plate bracket and four predrilled holes. This set includes two locking and two non-locking caster wheels to move equipment around when cleaning.

US Restaurant Group is a US supplier of premium quality commercial cooking, refrigeration and food preparation equipment. Our aim is simple. Produce industry-leading commercial restaurant equipment at reasonable prices, and back it all up with an easy to understand, no nonsense warranty that people can count on.
