

VEGETABLE CUTTER

TM

The TM is a versatile vegetable cutter for restaurants, delis, and caterers. Thanks to the large selection of 21 different discs, it is possible to freshly slice, shred, grate, julienne, and dice vegetables, fruits, cheese, and many other products. The TM vegetable cutter includes (1) slicing disc (DF series ONLY) of your choice, (1) disc holder, and (1) white polycarbonate container.

- **Production:** 420 lbs/hr (191 kg)
- **Operation:** Continuous feed, the cut product drops in the container by gravity
- **Construction:** The base is polished aluminum, the motor shell is in stainless steel
- **Discs:** Aluminum with stainless steel blades
- **Hopper opening sizes:** The main opening is semi-oval with maximum dimensions of 6.2" x 3"
- **Feed opening:** For long-shaped products measuring 2" in diameter
- **Belt-driven:** Fan cooled with a thermal circuit breaker
- **Plug & cord:** Attached, flexible, 3-wire SJT AWG16, 6'4" long
- **Switch:** On/Off button. Button also works as the ON indicator light

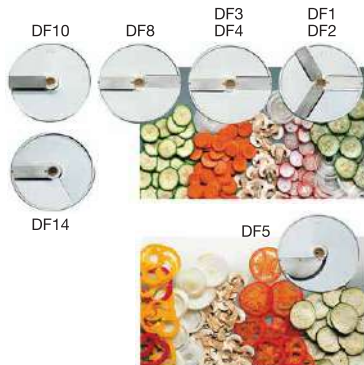

Made in Italy
