

WCH15W

33.25" x 53.75" x 28.63" (H x W x D)

14 cu.ft. residential manual defrost chest freezer in white

Highlights:

Hammered aluminum interior offers added durability for long-lasting use

Manual defrost operation and static cooling system

14.1 cu.ft. interior with removable baskets included

Product Features:

Manual defrost operation	Static cooling system for efficient storage
Hammered aluminum interior	Solid construction for lasting durability
Counterbalanced hinges	Lid will stay opened when lifted past a certain point, making it easier to load and unload the interior
Pocket handle	Space-saving pocket handle makes it easy to open the lid without adding extra depth to the unit
Storage baskets	Two removable baskets included for easy storage
Adjustable thermostat	Dial thermostat for easy temperature management
Indicator lights	Externally located thermostat includes an indicator light to show that the power is connected and a second for when the compressor is running
Defrost drain	Front-located drain makes it easier to defrost when needed
Pre-installed casters	Left side includes two swivel casters for easier mobility; right casters are fixed
