## Z40 Nature LM ADAPT

Speed and efficiency combination

Ideal for establishment with high volume consumption or production facilities such commissary kitchens, restaurants, cafes, bakeries, diners, retail stores along with hospitals and bottling operations where fresh Juice demands are high. Z40-N-LM model is the most efficient lime/lemon squeezer in the market.

# Efficiently squeeze juice

## 1. EVS®Advanced

Unique vertical juice extraction system; a Zummo exclusive. Based on manual juice extraction system it achieves maximum profitability, obtaining the purest possible juice with the greatest operational functionality.

## 2. Juice extraction kits

The different-sized juice extraction kits help to maximise the yield of the juice extracted from the fruit depending on its diameter. Easily identifiable thanks to the characteristic colour of each range:

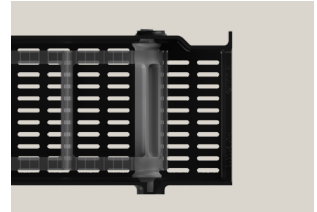

Medium (M): Orange; Large (L): Maroon;  
Optional- Extra large(XL): Pink; Small (S): Grey.

Juice extraction kits

## 3. Automatic filter

Comprised of a belt that starts to move when the juice extraction starts up, sweeping away the seeds and pulp that remain in the filter: greater juice extraction performance and greater autonomy.

Automatic filter

## 4. Adapt tray

Dual-position tap developed in the shape of a swing lever to optimise usability. Its exclusive Zummo design drains all the juice out, preventing it from accumulating in the base, and therefore maximising hygiene and juice purity.

Adapt tray

## 4. Dual-position basket with folding door

Basket with drop-down door that makes fruit-loading easy. Its dual position feature means that the door can be placed at the front or at the rear, depending on the specific needs of each establishment.

Folding door
