Meat Choppers

CC12/CC22

Motor: 1 HP 8 amps (CC12) or 1 1/2 HP 16 amps (CC22), 115/60/1. Manual reset motor overload protection.

Transmission: Precision made gears and shafts, mounted on ball bearings. Permanent grease packed sealed gear box.

Switch: Conveniently mounted on side of machine, with Off, Forward and Reverse positions.

Construction: The seamless housing, cylinder, worm gear, adjusting ring and product tray are made of stainless steel for quick and easy cleaning. Rubber feet prevent the machine from moving during operation.

Capacity:
CC12: 250 lbs. of meat per hour
CC22: 450 lbs. of meat per hour

Cord and Plug: Attached is a seven-foot flexible 3-wire cord and plug that fits a grounded receptacle.

Specifications

Worm Speed: 170 RPM's

Standard Equipment: Knife, 1/4" and 5/16" plates, stainless steel product tray and plastic food pusher.
