CSP-120 Painted Steel Reversible 120v Countertop Model Dough Sheeter

**FEATURES**

- Stainless steel construction
- Heavy-duty usage
- Fixed conveyor speed
- Manual roller adjustments
- Preset roller thickness control
- Foldable tables for space saving storage
- Retractable end tables
- Safety features
- Countertop model

The Prepline dough sheeter machine is a perfect way to streamline food prep operations in your bakery, restaurant, or hotel. Our commercial dough roller allows your staff to rapidly sheet up to 20 inches of dough for pizza, pasta, wraps, and baked goods. This is a classic 3/4 HP reversible countertop model dough sheeter. The stainless steel roller is position-adjustable to support dough thickness between 1mm and 40mm. Save time on dough sheeting and get more value for money with the Prepline dough sheeter.

**WARRANTY**

Prepline products are backed by a 1 year manufacturer warranty. The unit itself and parts within are guaranteed against manufacturing defects for a period of 1 year. Glass due to its fragile nature, is not included under warranty coverage. Always inspect your delivery for freight damage before you accept it. Freight damage will not be considered a manufacturing defect and should be refused or remedied through a claim with the carrier.
